

## **Competition evaluation sheet**

### **OBSERVATION SHEET FOR THE SAFETY ASSESSMENT IN GYMNASTICS**

#### **Identification data:**

- Event Name: Balkan Games Aerobic Gymnastics
- Date and Location: October 17-19, 2023, Polyvalent Hall, Bucharest
- Evaluator's Name: Steliana Curelea

#### **Assessment of Coach Behavior:**

The general attitude of coaches from participating delegations was one of support and positive appreciation towards the athletes. Coaches were attentive to the athletes' needs and encouraged their performances in each category.

#### **Assessment of Accommodation Conditions:**

The accommodation and meal conditions were appropriate, meeting sanitary and food hygiene standards.

#### **Assessment of Meal Conditions:**

Athletes and delegation members had their meals at the hotels' restaurants. Hygiene and compliance standards were adhered to.

#### **Assessment of Competition Conditions:**

The competition took place in a well-ventilated and well-lit environment. The restroom facilities met ideal hygiene standards. Organizers made efforts to maintain a decent level of cleanliness throughout the competition. Additionally, bottled water was made available for athletes and coaches in various locations within the competition venue throughout the entire competition period.

#### **Assessment of injury hazards related to the location of the competition hall:**

An ambulance crew accompanied by a doctor and a medical assistant was present throughout the competition.

#### **Additional Comments and Recommendations:**

The competition was excellently organized, benefiting from a significant number of volunteers and dedicated staff always available when needed. Any medical emergencies were efficiently handled by the medical team present. Issues related to slippery surfaces or other minor incidents were promptly addressed by the organizers, ensuring a safe and conducive environment for the participants.
